Q- Where and when is the game?

A- The game is located at the LCISD stadium, aka Traylor Stadium. The address is 4606 Mustang Avenue, Rosenberg, 77471. The game is on Friday October 18, 2019. Please arrive with your daughter no later than 6:15pm so we can have practice them (side note: no one is permitted in until 6:00pm).

Q- Where and when do we meet?

A- There will be a check in table near Gate 1 (this is closest to the scoreboard). Please check in to get the wristband for both you and your performer. Then we will have Belles available (black uniform) to escort the performers to the track. Parents will not be permitted inside the gate. At the conclusion of the performance, our Belles will work to get your daughter back to you safely.

Q- What if my son/daughter did not receive her shirt?

A- The shirt will be available at the check in table.

Q- Is there a practice?

A- The only practice will be before the performance. We will start sharp at 6:15pm.

Q- What do they wear to the game?

A- If you received your shirt at the clinic, wear your kid clinic shirt with black shorts or leggings (based on the weather) and your hair in a high ponytail. If you did not receive your shirt at the kid clinic, either due to it being a Standard Registration or an error, it WILL be available at check in for you to pick up. The t-shirt is your daughter's game ticket.

Q- Do we pay to get into the game?

A- Parents and spectators are required to pay to get into the game. Dancers, however, are not. Dancers MUST be in their kid clinic shirt to get in the game. The shirt is their ticket 😊  
You may purchase a ticket from us at the clinic, or pre-sale at GRHS. Tickets purchased from us at clinic or pre-sale at the game are \$6 for adults and \$3 for students. If you elect to purchase your ticket at the game is \$8 regardless of age.

Q- What do we do after the performance?

A- Once the performance has concluded, members from our Belles JV Drill Team will be lined up outside of Gate 1 and separated by grade level (PK-2<sup>nd</sup>, 3<sup>rd</sup>- 5<sup>th</sup>, 6<sup>th</sup>- 7<sup>th</sup>). It is important that you have the wristband you were given at check in. The wristband is our way of ensuring we are giving the right child to the right parent. Wristband names will be verified. Please be patient, the girls will be working as quickly as possible to get your daughter or son back to you as quickly and safely as possible 😊

Q- Do we have to stay for the entire game?

A- Absolutely not! That is your choice. Our clinic participants are done immediately after the performance.

Q- Where will my daughter be performing?

A- Pre K- 2<sup>nd</sup> will be performing on the left 30 yard line. 3<sup>rd</sup> thru 5<sup>th</sup> and 6<sup>th</sup>-7<sup>th</sup> graders will be performing on the right 30 yard line (away from the scoreboard). Drill Team Prep, 8<sup>th</sup> graders and above will be performing around the 50 yard line.

Q- When is your next kid clinic?

A- Our next kid clinic is Saturday April 25 and it aligns with our 2020 Spring Show on April 30- May 2. More details will be distributed soon!
